LANGUAGE REQUIREMENTS

It is strongly recommended that all applicants have a good command of the English language.

Chinese institutions of higher education generally use Chinese as instructional language. Applicants with no command of Chinese are generally required to take Chinese language courses for 12 years before their major studies. And only by passing the examinations after the college preparatory courses, can they start their university studies.

Some courses set for general scholars, senior scholars and postgraduate students in some universities can be conducted in English. Please refer to the Directory of Chinese Higher Education Institutions
